P&C
The Parents and Citizens committee (P&C) is trialling a new time and day for their meetings. It was proposed that Monday afternoon was a much better time for parents to attend. Consequently, the first meeting will be held at 2.30 pm on Monday 27th October. If you can’t make it at the starting time, don’t discount coming along as the meeting will continue past 3.30 for those that pick up children later. The meeting will be held in the library.

The next meeting will look at electing new people to the positions of President and Secretary. Thank you Genevieve Derwent and Sharon Walker for your tireless work in support of our school. We wish you the best of luck in all future endeavours and commend you for your guidance and leadership over a sustained period of time. It has been greatly appreciated.

About us
The Sapphire Coast Kart Club is a small club dedicated to providing a top class karting facility to residents of the South Coast of NSW. In 2004 we completed a brand new track at Frog Hollow, which is situated between Bega and Merimbula. Karting is one of the few sports where there is no competitive difference between male, female, young and old. Everybody can compete against anyone within their class structure. There are classes for 7 years old up, fast to slow, sprint karting to endurance, two stroke to four stroke. To put it simply karting is for everyone whether it be competitor, practice, official, administration, or helper at Club to State level. Whatever your desire within motor sport it can be achieved through karting. If you would like to become part of this exciting development, and take part in some of the most affordable motor racing available, come and watch a race meet and talk to some of the competitors or officials. ITS FREE TO WATCH, yes this is not a typo. We are the only form of motorsport that you can come to the track and watch for free. We will become like your second family. We race one day a month from February to November with a Christmas party in December.

Choirs for Timor Leste

Lift your spirits and sing! sing! sing! Singalong and enjoy the talents of six local choirs in the Bega Valley who, on Sunday October 26, at Mumbulla School from 4.30 p.m. will be displaying their talents to raise funds for Timor Leste. Once again the Bega Valley Advocates for Timor Leste (BVATL) invite the Bega community to share this inspiring musical experience. Geoffrey Badger, Dan Scollay, Dave Crowden, and Kate Burke are the talented choir leaders who will provide a variety of songs ranging from the sacred, to children's songs, Gospel singing, and deep and meaningful singing by the men of the Mumbulladahs. The finale will include a combination of singing by all the choirs. Music, especially singing, is a very special and important part of the lives of the people of Natabora where the BVATL have been working for the past ten years. They are such happy people and their friendship and warm welcoming attitude is especially valued by the Advocates and students and friends who have recently visited them. It is most appropriate that the funds raised here in Bega will be used to purchase equipment for concerts and musical events in the Natabora/Barique area.

Concert entry is $15.00 per person, $10.00 concession and children are free. A barbecue with salad is available for dinner. So come and sing and celebrate with the BVATL and the choirs on Sunday October 26 from 4.30 p.m. at Mumbulla School. For more information contact Dave 0404 359 631
