Music Camp Concert
I consider myself very lucky to be able to attend last night’s music camp concert held at Tathra Public School. It was a truly uplifting experience so much so I felt like dancing but I didn’t want to embarrass or distract our contingent of Bega Valley Public School students who showcased their remarkable musical talents.

If the opportunity ever arises for your child to attend one of these camps I suggest they jump at the chance. Not only are their musical talents enhanced by the expert tutoring provided but their teamwork skills are in play when working with other students from across the Sapphire Coast Learning Community. I only wish that a similar opportunity was afforded to me when I was at school (many, many years ago). A special thank you must go out to Lisa Freedman, Candy McVeity and Garry Jones for the enormous effort they put in to produce such an outstanding musical product. Well done, can’t wait for next year’s concert!

Child Safety around arrival and departure from our school.

Thank you to those parents and carers who have observed speed restrictions and parking notices down the back and out the front of our school. It is obvious we all want the best safety conditions for our children’s arrival and departure from school.
