Welcome back to Term 3
It was great to see everyone back at school on Tuesday morning ready for a very busy term. I would like to extend a warm welcome to the new families who have begun this term. I am sure that your children will enjoy their time at our school.

About forty of our children will be involved in the Sapphire Coast Performing Arts Festival in week three of this term. It really is a fantastic experience for them and I know they will do our school proud. Later in the term there will be two school productions, with K-2 children performing in week 5 and 3-6 children performing in week 10. More details about these exciting events will be given in subsequent newsletters.

Staff Development Day
The new school term for teachers and staff started on Monday of this week. Amongst important sessions on the day, we looked at the Department’s revised Code of Conduct. Of particular interest is the section on “Respect for People”. An important part of this respect is open communication and the freedom to voice another point of view. The whole staff, here at Bega Valley Public School, fully endorse and support this principle.

In dealing with other people, we believe in accommodating and appreciating different opinions and perspectives. We are approachable and courteous in communicating with members of the community, students and other employees. It is through this approach we learn from others and have productive discussions. I am sure you will agree with these principles as we all want to be respected and heard in a community in which we all have a role to play.
