“Everything is Awesome”
It is an exciting, creative and rewarding time of the year at Bega Valley Public as the Kindergarten to Year 2 children display their considerable talent up on stage in their annual production. With two performances already completed, the enthusiasm and happiness on the faces of the children is so pleasing to see.

The area of Performing Arts is central to the learning culture of the school. Through their participation in a production, students have increased self-esteem and a greater appreciation of the Arts. This opportunity to perform is brought about by the hard work and combined efforts of many.

I would like to congratulate and thank the teachers, office staff, parents, carers and students who have helped make this a memorable and enjoyable experience for all. Special mention must go to Jayne McMaster for her creativity in producing and directing such a marvellous play. As the title announces ……….

Everything is awesome at Bega Valley Public!

Student Welfare
As mentioned previously in the newsletter, the evaluation of our practices and programs in Student Welfare has been completed. Our school team will publish, before the end of the term, a report which will be available to the whole school community. I am hoping to table this report at the next P and C meeting.

Staff Car Park
The staff car park is reserved for staff and visiting performers. Additionally, we have provided a disabled parking space for parents and carers of disabled children requiring special access to the school. This disabled space is now clearly marked and should not be used for other purposes, that is, the drop off or pick-up of other children. Your cooperation in observing and adhering to these conditions is greatly appreciated.
