PRINCIPAL MESSAGE:

Staff Development Day Success:

On Monday our teaching, executive, administration and support staff all took part in a Staff Development Day Conference in Merimbula, investigating more ways we can continue to help our children improve their educational outcomes and well-being. Staff learnt how to use iPads in an outdoor classroom environment, how to better meet Work Health and Safety standards, how to improve student maths outcomes in align with the new continuum, how students can better engage in their learning, how to coach students in their learning, how to support children who have autism, what new library and technology systems are being introduced and more. This professional learning was shared with the 16 government primary and high schools in the Sapphire Coast Learning Community (SCLC).

NAIDOC Celebrations:
The theme for the 2015 NAIDOC celebrations is “We all Stand on Sacred Ground: Learn, Respect and Celebrate”. This highlights Aboriginal and Torres Strait Islander peoples’ strong spiritual and cultural connection to land and sea. We launched our mGoals website: http://mgoals.com.au/ at the BVPS NAIDOC assembly on the last day of Term 2. Photos following in this newsletter.

News on Staff this Term:
Mark Farrell is in recovery mode following a hip replacement and Kerrie Vogele will be leading the Learning and Support Team this term. This team consists of Michell Scott, Nic Roberts, Nell Reeve and Deb Roberts.

We welcome Meaghan Bennett this week in teaching music to our primary classes.

LeeAnn Ecroyd has stepped into the relieving classroom teaching role in 1/6Q, with Jessica Peart teaching 2E until this position is permanently appointed (soon!) We also welcome Colleen Chapman as the relieving School Learning and Support Officer in 1/6Q as well, with Marcus Mundy returning to the Aboriginal Education Officer role.

New Lunch time Bike Program at B.V.P.S. Term 3

Our lunchtime bike program for Stage 2 and 3 students will commence in Week 2, Term 3. We will be conducting some skill sessions in the school grounds as well as riding along the local bike paths outside of school grounds, where the children will cross a number of minor roads. The program will take place each Tuesday and Wednesday. Children who wish to take part will need a working bicycle (with brakes) and a helmet. Children will meet Mrs Reeve at the bike rack at 1.10 pm, after they have finished eating their lunch. A reminder that children who attend Open Doors the week prior to each session will not be able to attend.

If you would like your child to take part in these sessions, please complete the permission form below.

________________________________________________________________________________________________________

I give permission for my child ___________________________ Class________ to attend the Tuesday and/or Wednesday lunchtime bike sessions, held on school grounds as well as on local bike paths.

Welcome back to term 3, we have a number of events planned for this term, building on the success of the first two terms.

Next Meeting
Out next P&C meeting is Monday the 20th of July (week 2 of term 3). We’d love to see some new parents join the committee to help build on the very successful year the P&C has had to date. If you have any questions about the P&C please give Rod a call on 0410 529 517. The meeting is in the school library from 3.30pm.

Canteen
We’ve upgraded the weatherproofing at the Canteen over the holidays; we hope this will make that area more comfortable, especially during the cold winter months.

We will be publishing the volunteer roster for the canteen each week, if you can help out for a couple of hours on a Wednesday or Friday please contact Sheryl in the Canteen to get onto the roster.

Facebook
Please join the schools Facebook page, it is a great source of information about what is happening in the school.
